

#### **JOTA-JOTI AUSTRALIA**

### **Activity Description**

Activity Type Game – Indoor or Outdoor

Name of Activity Phonetic Training

Estimated 10 minutes

**Duration** 

Age Range 8-10, 10-14 with minor adjustment

Introduction The aim of the game is to teach youth members the phonetic alphabet.

Principles of the One step forward on a correct phonetic.

Go back three steps if you move on an incorrect phonetic.

Activity

Procedure Place members at one end of hall (length-wise).

Use suitable line on floor or rope as a finish line.

Call phonetics/incorrect phonetics from sheet while others observe

movements.

First person across line is winner and receives treat.

Options Record and reward up to first three across line.

Allow the winner to call phonetics on next run if there is time.

Send person back only one step on incorrect.

Alternate 1

Form a large circle, pass/bounce/throw a ball to next person on correct phonetic but if you pass/bounce/throw a ball on an incorrect phonetic then leave circle and start additional circle (possibly with a leader – this will keep everyone doing something). Last person in original circle is

the winner.

Equipment Good and Bad Phonetics list for the caller. (See page 2)

Length of rope might be required if no line on floor or you can't use

opposite wall.

Phonetics/Morse code sheet for each person before session
